

JOIN THE UK'S BIGGEST NETWORK OF SIGNAGE MAINTENANCE ENGINEERS

SIGN MAINTENANCE ENGINEER AND ENGINEERS ASSISTANTS

Would you like to join a successful business supporting some of the UK's most iconic High Street names?

When you're looking after the most stunning signage in the UK, every day is different. Our teams of highly trained engineers respond to faults, complete detailed safety inspections and perform high quality repairs and upgrades for brands including Sainsbury's, TK Maxx and Waterstones. They are renowned as the best in the industry. And with more brands looking to Cygnia to care for their visual branding, we are looking for Team Leaders and Assistants to deliver high quality signage maintenance services around the UK.

You should ideally have a good knowledge of the signage industry and can show relevant qualifications for site work (IPAF / CSCS / PASMA / SPA etc) although we can provide training where required. In return we're offering great salaries with Team Leader starting from £28,000 and Assistant roles at £24,000, with bonuses and all equipment supplied.
